

Scouts Classic Car Wash

Devon scouts are raising funds to attend the 2015 world scout jamboree in Japan. The 7 scouts from the local troop have been selected to represent Devon along with 35 other scouts from other parts of Devon. The 3 week trip will consist of several days spent in Tokyo. They will then travel south to attend the Jamboree in South Japan along with approx 35000 other scouts from around the world, they will experience many things including a visit to the Horoshima memorial center. It will be the 70th anniversary of the atomic attacks, and some scouts will be selected to represent the UK at the official memorial ceremony. They will also spend several days living with a Japanese family to learn their culture after the jamboree. This is a real once in a lifetime opportunity, each scout has to fund raise, to pay for the trip. Our 7 scouts have to raise £23100 to pay for themselves to go. So far the scouts have worked very hard and through bag packing at supermarkets, sponsored bike rides/swims, cake sales, car boot sales, delivering yellow pages and many other things have managed to raise approx £12000, so we are over half way there which we as parents and the scouts themselves are very proud of. The scouts will be running a hand car wash service to help raise money for this trip. Please support them.
